EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

2. This application is in condition for allowance except for the presence of claims 3-19 directed to inventions non-elected without traverse. Accordingly, claims 3-19 have been cancelled.

3. The following is an examiner's statement of reasons for allowance: None of the prior art of record teach or suggest a transfer mechanism of a blow molding apparatus comprising: a turntable; a circular guide rail fixed to a surface of the turntable so that a center thereof is at a rotational center of the turntable; a plurality of sliders capable of sliding along the circular guide rail; holding parts formed on the respective sliders for holding the preforms, products or mandrels; pivot pins that rotatably disposed at intervals of a fixed angle on a circle that is concentric with the rotational center of the turntable in an inside position of the circular guide rail on the turntable; a plurality of swinging arms that swing along a surface of the turntable about the respective pivot pins as the turntable rotates; and slide-type linking parts that link swinging ends of the swinging arms to the respective sliders so as to allow the sliders to slide in an axial direction of the swinging arms. The closest prior art (Santais et al 5,863,571) discloses a plurality of gripping members (73, 74) attached to arms (70) at pivot (71) and turntable

(75) which has a cam (78), but the reference fails to disclose or suggest a circular guide rail fixed to a surface of the turntable, a plurality of sliders capable of sliding along the circular guide rail, holding parts formed on the respective sliders, pivot pins that are rotatably disposed at intervals of a fixed angle on a circle that is concentric with the rotational center of the turntable in an inside position of the circular guide rail on the turntable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
